revolves around you*

managed by MBK Hotel & Tourism Co., Ltd.

Layana Resort & Spa is a luxurious adults-only hideaway set amidst the azure blue waters of the Andaman Sea, Koh Lanta Yai, an idyllic tropical island located in the South of Thailand with pristine beaches backed by lush tropical greenery and forested hills.

Located on Phra-Ae-Beach, which stretches for more than one kilometre, on Koh Lanta Yai's west coast, Layana Resort & Spa is just one and half hours from Krabi International airport and is accessible by ferry crossings or our own luxurious private speedboat.

Translated from the Sanskrit language "Layana" means "a pause in time"; in keeping with this ethos, Layana Resort & Spa is committed to creating an exclusive haven of luxury where the world revolves around you.

Harmonising with its secluded surroundings in a way that is distinctly Asian, Layana Resort & Spa blends pampered luxury with a fresh, open and natural ambience.

Hallmarks of this luxurious low-rise resort include a delicate combination of unique Thai culture and modern luxury with warm hospitality and personalised service from gracious staff with endearing smiles who are always there when you need a hand.

The resort highlights 51 luxurious contemporary Thai-style rooms and suites, each boasting luxurious fittings, goose down duvets, elegant terracotta tiles, privacy blinds and silk furnishings; each with balconies offering sweeping views over the resort's lawn, mountain and ocean. The luxurious 2-bedroom La Maison private pool villa offers discerning guests private butler services and personalised options that include an in-villa chef.

Set on the beachfront, the formal Tides restaurant serves an array of international dishes amongst Thai and Asian cuisine, seafood and Western favourites. Diners have the choice of enjoying the view of the beach from behind French patio doors, or on the alfresco dining terrace surrounded by the cool tropical sea breeze. For the ultimate indulgence, share a romantic private dinner on the beach with your loved one.

For long, cool drinks and evening cocktails, Sundowners beach-side bar looks out to offshore islands and is the ideal venue to experience unforgettable sunsets.

The ultimate in pampered luxury is to be experienced at Linger Longer Spa. With a restful garden setting, this sanctuary from stress affords guests the opportunity to rediscover their inner harmony, body wraps and other spa treatments for health, relaxation and rejuvenation.

Layana Resort & Spa is the perfect location to celebrate your love, specialising in honeymoon packages, vow renewals and intimate wedding ceremonies in choice of either Buddhist or Western ceremonies for up to 24 guests. Our wedding organizers can help your dream wedding come true.
